

## **Sycamore Township Residents Recycled 925.83 Tons in 2015**

Congratulations Sycamore Township residents! In 2015, we recycled 925.83 tons of metal, glass, plastic and paper. Residents saved resources, conserved energy, and reduced pollution by recycling.

The recycling efforts in Sycamore Township:

- Conserved enough energy to power every home in Sycamore Township for 6 days.
- Reduced more air pollution than if every household in Sycamore Township rode their bicycle to work for 4 weeks.
- Saved 7,514 trees from being harvested.

Recycling reduces pollution so the air we breathe is cleaner; conserves natural resources so we will have them to use in the future; and decreases the energy needed to make new products. Recycling also boosts our local economy by creating 169,000 jobs (4.3% of all jobs) just in the State of Ohio.

On average, each household in Sycamore Township recycled 224 pounds in 2015. That's 13.01% of all the waste we generate. If you would like to see even more material recycled in 2016, check out the list below to make sure to recycle all of these materials. Want to start recycling? Call 946-7766 to learn more about recycling in your community.

Good work, Sycamore Township, our recycling efforts made a big difference!
