Fire Chief

Rob Penny

Planning & Zoning Administrator

Skylor R. Miller

Sycamore Township and the Hamilton County Engineer's Office (HCEO) invite you to an open house public meeting to learn about proposed improvements to Plainfield Road and Larchview Drive. The project is a joint project involving Township streets (Larchview Drive, Glenbar Court, Applewood Drive) and a County roadway (Plainfield Road). Proposed improvements include the complete reconstruction of Larchview Drive from Eldora Drive to Plainfield Road, including water main and storm sewer replacement. Also, the traffic signals at both Larchview Drive/Plainfield Road and Plainfield Road/Donna Lane will be replaced. Plainfield Road from the Deer Park corporation line to the Blue Ash corporation line will be re-stripped and repaved. The re-striping of Plainfield Road will implement a "road diet" to modify the existing roadway from 4 lanes to 3 lanes with on-street parking. Some water main will also be replaced along Plainfield Road.

At the meeting, you will be able to review and comment on the proposed project. Representatives from the Township, HCEO, and the engineering consultant will be available throughout the open house to answer questions. Comment sheets and exhibits will be available during the open house. There will be no formal presentation and you may arrive anytime between 6 and 8 PM.

Face coverings will be required of all attending the meeting.

For those citizens who are not comfortable meeting in person, all of the information and exhibits that are going to be at the meeting will be on the Township website, www.sycamoretownship.org along with a comment sheet.

If there are any questions or comments, please contact Tracy Kellums, Assistant Township Administrator, at 513-792-7257, tkellums@sycamoretownship.org, or Todd Gadbury, Deputy Hamilton County Engineer, at 513-946-8445, todd.gadbury@hamilton-co.org. The final date for submission of comments is May 6, 2021.

The public meeting notice is also available at www.sycamoretownship.org on the homepage.
