

Minutes of the Sycamore Township Special Events Committee Meeting June 27, 2022

The meeting was called to order at 7:03 p.m.

Present for the Meeting were Chairman Jason Petty, Lisa Bass Hodge, Holly Talmage, Joe Mueller, and Brent Grunow. Megan Dollenmeyer was absent.

Street Food Expo Report

Mr. Petty stated that the Street Food Expo event was well attended through the entire day with the largest crowds in the evening. Mr. Petty explained to the committee that 38 food trucks registered for the event, and the food trucks who participated in the competition were judged on appetizer, entrée, and dessert. Not all food trucks entered the competition. Mr. Petty did not have information from the Queen City Mobile Food Truck Association on totals or winners of the event. Mr. Petty asked Vice Chair Lisa Hodge to share her observations of the event. Lisa shared with the committee that the organization of the volunteers was poor; there was no signage; it was not easy to sign up online; volunteer shifts were too long; and there were not enough volunteers for the event in total.

Vote On Committee Member Terms

Mr. Petty asked to table voting on committee member terms until we have all committee members present.

Upcoming Concerts & Movies

Mr. Petty asked if any of the committee members would be able to help with the movies and the concerts. Mrs. Talmage said she would be able to help with the movies in the park.

Mr. Petty asked the committee members to see what their future availability for volunteering would be.

Meeting adjourned at 8:13 p.m.
