Re: **Variance Case No.: SYCB170003**
Property Address: 7135 Hosbrook Road

Dear Mr. Holbert:

This letter is to advise you that in light of the clarification of the side yard setback requirements for the construction of my new single family home, I no longer require a variance and, therefore, wish to formally withdraw my request for a variance hearing in the above referenced case.

Thank you for your help.

Very truly yours,

David M. Meranus
