Dear Sycamore Township Board of Zoning Appeals,

We are requesting a variance for a room addition at 4371 Kalama Court, Sycamore Township (the current zoning is "C", single family residential). The size of the lot is 0.258 acres.

The requested variance is for approximately 4 inches on the east side of the lot. The present zoning requirement calls for a side yard setback of 5 feet. Please reference the plans submitted with this letter.

Thank you very much.

Sincerely yours,

  
Raymond Bauman
