

Dear Sir,

We reside at 8715 Antrim Court and are neighbors of Daryl and Erin Curry. They have indicated to us that they wish to increase the size of their front porch at 8709 Antrim, but they have been unable to obtain a permit due to the set-back required by Sycamore Township. They have told us that they intend to appeal for a variance in order to build the proposed addition.

We support the Curry's efforts in this appeal. We believe that the addition would enhance the appearance of the neighborhood and contribute to the property values on Antrim Court. It would also encourage neighbor-to-neighbor interaction and provide an additional gathering space for socialization.

We would encourage the Zoning Board of Appeals to approve this variance and wholly support the Curry's efforts.

Paul and Janice Godwin

~~To whom it~~ may concern:

I am writing in support of my neighbors, Daryl and Erin Curry. They have requested a variance in order to build a new deck in their front yard, which abuts my property. I have no issue with their plans, and believe that any impact on my property will be positive and visually pleasing, improving the entire neighborhood!

Best regards,
