NOTES

- 1.) The locations of the underground utilities shown on the plan have been obtained by field checks and searches of available records. It is believed that they are essentially correct, but the engineer does not guarantee their accuracy or completeness. The contractor should verify locations with the utility companies and/or the Ohio utilities protection service at 1-800-382-2784 not less than 48 hours before starting any demolition or excavation activities.
- 2.) Site drains through existing storm sewers to an existing storm-water detention basin north of the office building at 7755 Montgomery Road. Detention is provided for this site to meet Hamilton County regulations. The existing detention basin is located in a private storm-water easement recorded in P.B. 415, Pg. 9 of the Hamilton County records.
