

Harry and Beth,

Following up on my teleconference with Harry yesterday afternoon, please accept this email as Texas Roadhouse's request for an additional continuance of its major PUD adjustment hearing before the Sycamore Township Zoning Commission. We would like the hearing continued from the Zoning Commission's February 2018 meeting date to the Zoning Commission's regularly scheduled March 2018 date. Thanks for your willingness to accommodate our request. As always, feel free to call or email with questions. Thanks.

Regards,

Benjamin J. Yoder
