Hi Rob,

Please table this an additional month as October will be nuts. We are close to finalizing our ongoing expansion and it's our Fiscal Year End.

Thank you,

Ryan L Storch | Operations Manager | Greif, Inc. | CorrChoice

Ryan:

The township would like to know if we want to present at the October zoning commission meeting for the parking lot on School Road.

Do you want to try to be ready for that meeting or table it another month?
