Skylor:

Please accept this email as my formal request for a continuation of Case #2020-07Z to be heard by the Sycamore Township Trustees on Tuesday, February 16th, 2021 at 6:00 PM. Discussions regarding plan changes/revisions with the adjacent residents is on-going, and we need additional time to finalize any revisions. I also request that our case be continued to the regularly-scheduled Trustee Meeting on March 16th, 2021.

Please contact me with any questions or concerns. Thank you.
