Subject: RE: Sycamore Township PUDII Review Case #2002-01P2– Tire Discounters Kenwood Road

Angie,

Thank you to you and Skylor as well for your time this morning.

Per our discussion, can we please table our Case (#2022-01P2) at the February Zoning Commission meeting?

We intend to revise our plans and provide all necessary submittal requirements to be heard at the March Zoning Commission meeting.

We will certainly be in touch as we work through our additional design details.
