Due to the current volatility of the steel market, prices are not guaranteed past 30 days from date of quote. The chassis supplied for this quote requires an N/A" CA with clean frame rails, PTO provision, and stationary grille. Pricing includes pick up and delivery of completed unit unless otherwise noted.

Due to current Federal Emissions Standards, WA Jones will not be held responsible for any chassis that requires exhaust modification. WA Jones will not be held responsible for relocating chassis components that interfere with mounted equipment unless prior documentation is received prior to order. Warranty period of 12 months from receipt of completed truck covering all parts and labor.

We appreciate the opportunity to provide you with a quote for this project. Please feel free to contact me with any questions.
