Sycamore Township Unsafe Structure / Conditions Report

Comments

This house and garages are unsafe and unsecured. There are holes in the roof, walls have fallen and all windows and doors are broken out. The electrical power line going to the front detached garage is very low to where someone could touch it and be shocked. The electrical meter may have power to it due to flashing numbers in the meter. Did not go inside and only walked up to the front door to see if anyone was home and could see inside without widows or doors in place.

The property is overgrown with trees and weeds. It appears this structure has been vacant for years. This is way be on being repaired and should be taken down ASAP. Duke Energy needs to disconnect the power to the property ASAP.
