It shall be prima facie unlawful for a person, firm or corporation to operate, cause to be operated or permit to be generated sound by the above described devices or by any other means under the following circumstances:

(1) No person, firm or corporation by any means, shall, between the hours of 11:00 p.m. and 7:00 a.m., make, resume, continue, cause or permit any noise of such a character, intensity and duration as to unreasonably disturb the peace and quiet of the community or to be detrimental to the life or health of any individual.

(3) No person, being the owner, or person in possession, of a motor vehicle with a device described above shall cause or permit any noise emanating from the motor vehicle which is plainly
