

# PROCLAMATION

**WHEREAS**, in 2022, an estimated 62,210 people will be diagnosed with pancreatic cancer in the United States and 49,830 people will die from the disease; and

**WHEREAS**, pancreatic cancer is one of the deadliest cancers. It is currently the third leading cause of cancer deaths in the United States; and

**WHEREAS**, in 2022, the 5-year relative survival rate for people diagnosed at all stages of this disease reached 11%. However, people diagnosed at the local stage have a 5-year survival rate of 42%; and

**WHEREAS**, pancreatic cancer is a leading cause of cancer deaths largely because there are no detection tools to diagnose the disease in its early stages; and

**WHEREAS**, the good health and well-being of the residents of Sycamore Township are enhanced as a direct result of increased awareness about pancreatic cancer and research into early detection, causes, and effective treatments.

**NOW THEREFORE, BE IT PROCLAIMED** by the Board of Township Trustees of Sycamore Township, Hamilton County, Ohio that November, 2022 is designated "Pancreatic Cancer Awareness Month" in Sycamore Township.

**PASSED**, at the meeting of the Board of Township Trustees of Sycamore Township this 1<sup>st</sup> day of November, 2022.
