

January 6, 2025

Dear Township Resident;

In 2023, Hamilton County created a partnership with Sycamore Township to look for potential traffic and connectivity solutions in the Kenwood Area. The result was the creation of the Hamilton County Kenwood Towne Center Area Planning Study Group which consisted of stakeholders in the area including residents, business owners, Hamilton County, Sycamore Township, and the Ohio Department of Transportation.

The study group's goal has been to identify areas needing improvement in and around the Kenwood area and decide how to facilitate further study based on common goals for the corridor.

The study group has completed a preliminary visioning process and has identified several areas for short and long-term improvements relating to traffic and pedestrian access.

The results of the vision process will be shown at an open house / public engagement session which has been scheduled for:

Thursday, January 16, 2025 from 4:30 p.m.-6:00 p.m.

Sycamore Township Administration Building
8540 Kenwood Road
Sycamore Township, OH 45236

This is an open house style meeting with no formal presentations, but rather an opportunity for one-on-one conversation. Public feedback from this open house / public engagement session will be taken into consideration.

A second open house / public engagement session will then be conducted based on comments and feedback from the first session and is scheduled for:

Thursday, February 6, 2025 from 4:30 p.m.-6:00 p.m.

Sycamore Township Administration Building
8540 Kenwood Road
Sycamore Township, OH 45236.

The documents which will be presented at the open house are also available online for viewing and comment / question submittal. You are not required to attend the open house for comments or questions to be submitted.

A link to the documents and comment / question form may be found on the Township website and Facebook page. www.sycamoretownship.org or www.facebook.com/SycamoreTwp/
