

NOTICE UNDER THE AMERICANS WITH DISABILITIES ACT

In accordance with the requirements of title II of the Americans with Disabilities Act of 1990 ("ADA"), Sycamore Township will not discriminate against qualified individuals with disabilities on the basis of disability in its services, programs, or activities.

Employment: Sycamore Township does not discriminate on the basis of disability in its hiring or employment practices and complies with all regulations promulgated by the U.S. Equal Employment Opportunity Commission under title I of the ADA.

Effective Communication: Sycamore Township will generally, upon request, provide appropriate aids and services leading to effective communication for qualified persons with disabilities so they can participate equally in Sycamore Township's programs, services, and activities, by providing reasonable accommodations to make information and communications accessible to people who have speech, hearing, or vision impairments.

Modifications to Policies and Procedures: Sycamore Township will make all reasonable modifications to policies and programs to ensure that people with disabilities have an equal opportunity to enjoy all of its programs, services, and activities. For example, individuals with service animals are welcomed in Sycamore Township offices, even where pets are generally prohibited.

Anyone who requires an auxiliary aid or service for effective communication, or a modification of policies or procedures to participate in a program, service, or activity of Sycamore Township should contact the office of Beth Gunderson, ADA Coordinator, 513-792-7248 or bgunderson@sycamoretownship.org as soon as possible but no later than 48 hours before the scheduled event.

The ADA does not require the Sycamore Township to take any action that would fundamentally alter the nature of its programs or services or impose an undue financial or administrative burden.

Complaints that a program, service, or activity of Sycamore Township is not accessible to persons with disabilities should be directed to Beth Gunderson, ADA Coordinator, 513-792-7248 or bgunderson@sycamoretownship.org.

Sycamore Township will not place a surcharge on a particular individual with a disability or any group of individuals with disabilities to cover the cost of providing auxiliary aids/services or reasonable modifications of policy, such as retrieving items from locations that are open to the public but are not accessible to persons who use wheelchairs.
