

RECORD OF PROCEEDINGS

Minutes of the Public Hearing of the Trustees of Sycamore Township
Sycamore Township, Hamilton County, Ohio

July 13, 2021

The Public Hearing for the 2022 Tax Budget was called to order at 7:42 p.m. by Mr. James. Mr. James said the meeting was starting late due to the earlier zoning public hearings running over.

Present for the meeting were Chairman James, Vice Chairman LaBarbara, Trustee Weidman, Fiscal Officer Porter, Law Director Desai, Administrator Warrick, Planning & Zoning Administrator Miller, and Fire Chief Penny.

Mr. Warrick stated the 2022 Tax Budget was available in the document packet with the resolution. He reported the hearing was advertised in the newspaper as required and the documents include all the items required by Hamilton County.

Mr. Warrick stated the format the County requires is different than the format of our computer system. He said the tax budget is an exercise to make sure we set the revenues and the County agrees. He reported the County will send a letter in a few weeks stating what they think the Township's property tax revenues will be and once we receive that letter, we can adjust. Mr. Warrick said the expense side is still requiring some work especially in the General Fund and Fire Department. He stated for this purpose the documents are in order noting they are acceptable to Mr. Porter.

Mr. James asked if this budget takes into account revenue from the American Rescue Plan.

Mr. Warrick answered it does not.

James asked if anyone on the Board or member of the public had comments or questions. No response.

Mr. James closed the public hearing at 7:46 p.m.
